

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BAKERSFIELD CALLING FOR THE PLACEMENT OF A GENERAL TAX MEASURE ON THE BALLOT OF THE NOVEMBER 6, 2018 GENERAL ELECTION TO ADOPT A SALES TAX (TRANSACTIONS AND USE TAX); INTRODUCING AN ORDINANCE ENACTING A TRANSACTIONS AND USE TAX TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION; AND ORDERING THE SUBMITTAL OF THE ORDINANCE TO THE VOTERS AT THE GENERAL ELECTION, AND DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS, AS WELL AS SETTING PRIORITIES FOR FILING WRITTEN ARGUMENTS.

WHEREAS, sales tax revenues, which have been the significant source of locally controlled funds available to pay for essential City of Bakersfield ("City") services, have been declining due to changing consumer habits, including increased reliance on internet-initiated sales; and

WHEREAS, City needs dependable and local sources of revenue to fund and to support essential, necessary and appropriate general City services; and

WHEREAS, in keeping with City's fiscally-conservative, award-winning budget approach, City has taken multiple actions over the past several fiscal years to keep expenditures in line with declining revenues while simultaneously attempting to maintain the level of basic services residents expect and deserve from City; and

WHEREAS, the combination of City growth, general inflationary costs, and depressed revenues have created a circumstance where additional expenditure reductions or revenue enhancements will be necessary to continue to align ongoing expenses with available revenues;

WHEREAS, during the past several years the State of California has reduced or taken funding from cities and may continue to do so into the foreseeable future; and

WHEREAS, the state of California has shifted responsibility for many programs back to cities, like Bakersfield, without the necessary funds to provide the services residents need and expect; and

WHEREAS, a local funding measure would provide a protected, local revenue source to limit or prevent additional cuts to essential, necessary and appropriate general City services; and

WHEREAS, the City Manager's budget message for the 2018-19 Proposed Budget emphasized the importance of a voter-approved, locally-controlled revenue source and outlined some of the direct impacts to services that are important to the community if the revenue is not available; and

WHEREAS, City of Bakersfield has the fewest employees per 1,000 residents out of 107 cities nationwide with a population of over 200,000; and

WHEREAS, there has been no ability to add service providers and other staff over the last several years to keep up with community growth and demand for services, resulting in lower qualities of service provided to the community; and

WHEREAS, the population of City has increased by 57 percent since 2000; and

WHEREAS, the area of City has increased by 32 percent since 2000; and

WHEREAS, Bakersfield has fewer police officers than other comparable cities, and in 2016 had the third highest rate of auto thefts of any city in the United States; and

WHEREAS, staffing within the police department only allows for an average of 50 sworn officers to be on shift at any given time within the City, which has directly affected the department's ability to respond to certain types of calls for service, such as home burglaries and auto thefts; and

WHEREAS, several non-urgent type of calls related to property crimes and quality of life issues are referred to the department online reporting system and no officer responds directly to the call; and

WHEREAS, Bakersfield has a property crime rate that is 55 percent greater than comparable cities throughout the state of California; and

WHEREAS, with the State releasing parolees and shortening sentences, City seeks to maintain and increase the levels of police protection and the number of officers on local streets; and

WHEREAS, drug trafficking and youth violence has reached epidemic levels in our region, with prisoners being released early and more and more gang members coming into Bakersfield, creating the need to get more police officers and anti-drug and gang teams in place to improve safety in the City; and

WHEREAS, the Bakersfield Fire Department is responding to 52 percent more calls for service when compared to 2008 and doing so with fewer staff; and

WHEREAS, the community has continued to indicate that 911 police and fire protection should continue to be top priorities for City, and additional funding is needed to keep local fire stations open and fully staffed, to ensure that firefighters can quickly respond to emergencies and save lives; and

WHEREAS, Bakersfield has a growing number of homeless individuals -- resources are needed to enable City to partner with community-based service providers to address outreach, shelter and affordable housing needs, while ensuring local business districts, parks and public areas are safe and secure for everyone; and

WHEREAS, over 93 percent of California residents live within a community that has an additional sales tax to enhance services provided by local governments. In Kern County, the voters within the cities of Arvin, Delano, Ridgecrest, and Wasco have

approved one-cent sales tax measures; and

WHEREAS, this measure will give City of Bakersfield local control over local funds for local needs and no funds from this measure can be taken by Sacramento; and

WHEREAS, should this measure be approved by the voters within the City of Bakersfield, draft spending priorities include:

- Increasing police staffing to improve police response times, reduce crime, and increase neighborhood police patrols
- Improving rapid response to assaults and robberies
- Maintaining/improving rapid response to gang violence
- Investigating and proactively preventing property crimes, burglaries and vehicle thefts
- Keeping public areas safe and clean
- Strengthening the capacity of the Special Enforcement Unit
- Expanding the School Resource Officer Program
- Maintaining a fully staffed and equipped class II rated fire department
- Reducing homelessness through partnerships with service providers to increase outreach, sheltering and construction of affordable housing
- Addressing the fiscal stability of the City
- Creating jobs through economic development, business retention/attraction and workforce development
- Enhancing amenities throughout the community to improve the quality of life and attract visitors
- Enhancing neighborhoods through additional code enforcement and improved park maintenance

WHEREAS, the community has indicated accountability and oversight of this additional revenue is of utmost importance; and

WHEREAS, prior to the Operative Date, the City Council shall adopt a resolution establishing the composition of a committee of no more than nine residents of Bakersfield to act in advisory capacity to review the expenditure of revenues generated by the tax imposed by this ordinance.

WHEREAS, the intended makeup of the Committee is a diverse demographic

cross section of the community with experience in business, leadership, accounting and related fields for the purposes of ensuring the proceeds of any revenue pursuant to the related Ordinance are expended in a manner consistent with the priorities of this ballot measure; and

WHEREAS, community organizations such as the Greater Bakersfield Chamber of Commerce, Kern County Taxpayers Association, Bakersfield Association of Realtors and Kern Citizens for Sustainable Government are encouraged to nominate individuals to serve on the Committee once its composition has been established; and

WHEREAS, City will ensure transparency for the revenues received and expenditures made in relation to the tax that is subject to this Ordinance by accounting for them distinctly from all other revenues and expenditures within City's accounting system; and

WHEREAS, City shall produce and publish an annual report to inform the residents of Bakersfield how the funds subject to this Ordinance are being expended; and

WHEREAS, City shall ensure that annual independent audits are conducted to account for the tax revenues received and expenditures made in relation to the tax that is subject to this Ordinance, and to ensure consistency with spending priorities.

TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF
TAX AND FEE ADMINISTRATION**

BE IT ORDAINED by the Council of the City of Bakersfield as follows:

SECTION 1.

Chapter 3.38 of the Bakersfield Municipal Code is hereby added to read as follows:

3.38.005 TITLE. This ordinance shall be known as the "Bakersfield Public Safety/Vital City Services Measure Transactions and Use Tax Ordinance." The City of Bakersfield (hereinafter shall be called "City)."
This ordinance shall be applicable in the incorporated territory of City.

3.38.010 OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

3.38.015 PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that

adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3.38.020 CONTRACT WITH STATE. Prior to the operative date, City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.38.025 TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of City at the rate of 1% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

3.38.030 PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.38.035 USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 1% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.38.040 ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

3.38.045 LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. 5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into City or participates within City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in City or through any representative, agent, canvasser, solicitor, subsidiary, or person in City under the authority of the retailer.

7. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.38.060 AMENDMENTS. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.
