

**CITY MANAGER'S OFFICE**

June 20, 2018

**TO: HONORABLE MAYOR AND COUNCILMEMBERS**  
**FROM: ALAN TANDY, CITY MANAGER**  
**SUBJECT: COUNCIL MEETING, JUNE 20, 2018**  
**AGENDA ITEM DEFERRED BUSINESS 12.b.**

---

In regard to Agenda Item 12.b., information was recently requested regarding the number of retired City employees grouped by age range.

As a response to this request, City staff obtained retirement information from the California Public Employees' Retirement Systems (CalPERS). Due to time constraints, City staff obtained the last 10 years of information.

Please note that State law governs nearly all aspects of disability retirements. Finally, CalPERS uses inception of benefit dates rather than separation from service dates.
